## TEACHING ASTRONOMY IN SCHOOLS

Cambridge University Press. Paperback. Book Condition: new. BRAND NEW, Teaching Astronomy in Schools, Ernest Agar Beet, Originally published in 1962, as a second edition of a 1956 original, this book was designed as a classroom guide to teach school students the fundamental principals of astronomy. The book came into fruition through the noticeable imbalance, prevalent at the time, of teaching astronomy at university level and not, or barely at all, at school level. Chapters are readily understandable with clear subject...

### Reviews

---

*Complete information for publication enthusiasts. It is really basic but shocks inside the fifty percent of your book. I am just delighted to let you know that this is basically the finest book i have read through in my individual lifestyle and might be he best pdf for actually.*

-- **Elena Runolfsdottir Sr.**

*A new e book with a brand new standpoint. I am quite late in start reading this one, but better then never. I discovered this ebook from my i and dad advised this publication to understand.*
