Mildred s Book Store sounded like a catchy name for my collection of book titles and authors. Mildred, to me, seemed like a good name for an entrepreneur of a small business like an independent bookstore. As in any such retail outlet, there are different categories of books to appeal to any reader. As I began organizing my collection, I was able to arrange them in eight general categories, including a catch-all Potpourri section. Since they are only titles and not whole books, I hope that the reader finds favorites in all eight sections. I also hope that this will spur an interest in some of these various fields that leads to purchases of books in those fields. If, by having my collection published, it both entertains and creates interest in new areas of life, I will be completely satisfied.
