Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The Sleeping Magician is a heart felt fairytale for YA, filled with romance, magic, action and wonder. Jacob, an aspiring magician, gets involved with a little more magic then he hoped for. After being put into a deep sleep by a conjuring death spell from a witch and a protection spell from his mother, Jacob is lost in dream land. The only means of waking him is through his true love s kiss. The catch? All who aren t his true love and kiss him will die. So, of course, Jacob gets boarded up in his house for the towns safety and to become a local legend. Years later a young woman, Abby, decides to attempt suicide by kissing the magician, but instead wakes him. Well, maybe not. It turns out that another girl, Penny Jacob s old girlfriend, claims to have kissed him first, but how did she come back from the dead? No one has time to ponder this much, because as was promised the witch rises again to kill Jacob once and for all, or worse, use the girls to do it for her. The Sleeping Magician is the ultimate fight between good and evil with angels, magical battles, books and potions; golden dream lands and a deep love that could never die.
