Brand New Book ***** Print on Demand *****.It has been thousands of years since the second Titanomachy, the fall of Olympus. Stheno, one of the immortal Gorgons, is one of the few to survive it. The people, creatures, and places she once knew are long gone, undone by an ancient catastrophe. Now she awakens to find a bizarre and vibrant land full of strange races, powerful gods, and untamed magic. Though a legendary monster in her own time, now Stheno is now just another oddity, and she wanders this new world searching for other lost members of her kind. Desperate to spice-up her jaded immortal life, she seeks out danger and excitement wherever she can find it. It finds her, in the form of a clumsy little vagrant on the run from the law.
