Bantam Doubleday Dell Publishing Group Inc, United States, 1995. Paperback. Book Condition: New. 175 x 102 mm. Language: English . Brand New Book. Not so many years ago, rumor had it that the grizzled mountain man living by himself in a cabin on Lone Cone Peak in southwestern Colorado was an outlaw to stay clear of. A true survivor of the woolliest days of America's great move westward, he was a man with chilling memories and few regrets, a legend folks whispered about for years - a hard, hurting cowboy. His name was Brules. Cat Brules began life as a wild, full-of-the-devil young plainsman. He rode carefree and hell-bent on his favorite horse across Kansas, where he met a girl and fell in love. He drove a mule team deep into buffalo country with a starry-eyed scheme to strike it rich, and he had the deadly misfortune to lose his best friend to the Comanches. And from that point on Brules became a man in search of justice and his own soul. A man whose life would embrace the whole short, passionate history of the Old West. Written by Harry Combs, the charismatic eighty-year-old aviator and outdoorsman, Brules began as a story Combs told to his grandchildren and grew into this sprawling, impeccably researched historical...
