Reviews

A very awesome book with perfect and lucid reasons. It really is basic but shocks within the 50 percent of the book. Its been designed in an exceptionally easy way and is particularly merely right after i finished reading this ebook where in fact changed me, change the way i think.

RareBooksClub. Paperback. Book Condition: New. This item is printed on demand. Paperback. 58 pages. Original publisher: Reston, Va. : U. S. Geological Survey, 2009. OCLC Number: (OCoLC)495352144 Subject: Sage grouse -- Ecology -- California. Excerpt: . . . Land ownership was highly variable between PMUs (Figure 4). Sage-grouse in the White Mountains and the Desert Creek Fales PMU were primarily located on USFS land, while the BLM lands were a significant portion of the habitat use in the Bodie Hills PMU. We found sage-grouse in the South Mono PMU concentrating their habitat use on a mix of LADWP, BLM, and USFS lands. Private lands were not used extensively in any of the PMUs, although the Bodie Hills and the Desert Creek Fales area PMUs experienced some private land use. ROW - Right of Way (various ownership) Figure 4. Land ownership of radio-marked sage-grouse home ranges in each PMU . Mortality Factors: Transmitters were equipped with mortality sensors which doubled the transmitter pulse rate after 8 hours of non-movement. We attempted to recover all sage-grouse remains upon mortality signal detection in order to identify the direct cause of mortality. We tabulated causes of mortality for radio-marked sage-grouse in each of the study areas using all available indicators, including carcass composition, environment in which carcass found, searching the surrounding area for predator-type indicators, and consideration of length of time after radio transmitter application (Table 4). Avian 9 This item ships from La Vergne,TN. Paperback.
