## TAKING YOURSELF SERIOUSLY: PROCESSES OF RESEARCH AND ENGAGEMENT

Pumping Station, United States, 2012. Paperback. Book Condition: New. 242 x 168 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Taking Yourself Seriously: Processes of Research and Engagement is designed for college students as well as more experienced professionals who want to further their development as researchers, writers, and agents of change. Researchers and writers working under these frameworks participate in Dialogue around Written Work and in Making Space for Taking Initiative In and Through Relationships. These processes help researchers and writers align their questions and ideas, aspirations, ability to take or influence action, and relationships with other people. Bringing those dimensions of research and engagement into alignment is the crux of taking yourself seriously. The tools, processes, and frameworks are illustrated through excerpts from two projects: one engaging adult learning communities in using the principles of theater arts to prepare them to create social change; the other involving collaborative play among teachers in curriculum planning. A final section provides entry points for students and educators to explore insights, experiences,...
