Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. Its been designed in an exceptionally simple way and is particularly only right after i finished reading this ebook in which basically modified me, alter the way i believe.

Limitless Publishing, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Their empires have fallen, but their mythology lives on. Zanya Coreandero is a seventeen-year-old orphan with only a single friend and no hope for a normal life. Diagnosed with anxiety and night terrors, no one believes her cuts and bruises are a result of an evil entity, and not a brutal case of self-harm. With the only home she's ever known being the isolated institution-where breakfast is a handful of medications, the psychiatry sessions are mandatory, and her every move is watched-the only relief is her red-haired roommate named Tara, who's more like a little sister than her best friend. Free will is strong, but destiny is stronger. When Zanya is kidnapped, she meets a group of gifted Mayan descendants, each with a unique ability. Gone from a nameless castaway to the only hope of mankind, Zanya is forced to make a grueling decision: bond with an enchanted stone and save humanity from rising underworld forces, or watch helplessly as Earth falls victim to a familiar dark deity from her dreams. This time, he's playing for keeps. A wicked secret hides behind a handsome face. When Arwan, a dark-eyed timebender, takes interest in Zanya's mission, it's unclear if his intention is to help, or if he's on a hell-bent mission for revenge. Wary of falling for another guy with major secrets and a tainted past, Zanya fights to keep her distance. If only her heart gave her a choice.
