Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.

(Prof. Loyce Runolfsson Jr.)

Featherproof Books, 2008. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: When the school year at tony Nashville Arts and Science ends, Vaughn Vance ditches her upper class friends for a summer of solitude. Content to be alone and work on her photography, Vaughn's seclusion is disrupted when she meets her new neighbor, Sophie Birch. The two form a tentative friendship, hanging out at Dragon Park with the rest of Nashville's teens. There, the relationship deepens: Sophie becomes the subject of Vaughn's artistic experiments and Vaughn becomes the subject of Sophie's social experimentation as she pushes Vaughn to loosen up and let down her guard. After a fight with her mother, Sophie moves in with Vaughn and her academic parents who embrace Sophie's wild side -- until the girls push each other a step too far. In her debut novel, Susannah Felts perfectly captures the feel of growing up Southern-style, the universal push-pull of adolescent limit testing, and, above all, the intoxicating power that comes with burgeoning creativity.
