Kensington Publishing, United States, 2011. Paperback. Book Condition: New. 203 x 140 mm. Language: English . Brand New Book. Kennedy Logan is gorgeous, talented and in love with Drake Collins. She thinks it's the real thing; he's in for the sex. But she's not going to give up winning him without a fight. Because Kennedy doesn't give up--after all, she hasn't quit searching for her biological mother who abandoned her at birth. But things get to a point where it all becomes too much, resulting in a failed suicide attempt. Her life then gets considerably worse when her overbearing mother, Dorothy Logan, moves in with her, bent on getting her daughter's life back in order. The first step is getting rid of Drake Collins once and for all, with a little help from Kennedy's best friend, Taylor. But that's easier said than done. . . At her psychiatrist's advice, Kennedy uses writing as her therapy. She starts to keep a daily journal detailing the erotic circumstances and family drama that led up to her despair. But what's really going on between the pages will be a shocker for everyone involved.
