Surprise that DIY champion in your social circle with The Ultimate DIY Book ! They ll think they are getting the greatest collection of DIY tutorials to ever grace print and bound media (they may even scoff as such tutorials are beneath their superior DIY abilities), but instead they are getting their very own DIY book; a book they have to write themselves! (yes, it s a practical joke, but a pretty great one, huh?) Watch their excitement vanish as they realize that the inside pages of The Ultimate DIY Book are blank! Once they are done picking up the shattered pieces of their dream to be a supreme DIY aficionado (and probably use the shattered pieces for a DIY project and post it on pinsta-trist later), they will still have a practical gift that can be used as a.\* Notebook \* Journal \* Thought-organizer \* Diary \* List writing down place.thing.
