Chapter 1: Overview of the Project Sites This section introduces the project sites consulted for the development of this guidebook. A total of 26 project sites were interviewed by telephone. The map on the following page shows the locations of these projects across the country. The projects were identified through various channels, including consultations with staff from Federal agencies and veterans service organizations. Participation in a telephone conference call of VAs Grant and Per Diem funding recipients also yielded some recommendations. The guidebook does not attempt to capture the universe of promising practices with respect to serving homeless veterans, and assumes that there are many additional project examples not included here. The absence of any particular project does not signify a commentary on the quality of the services it provides. Basic background information on each project was collected through the telephone interviews. The...
