## The Leader's Dilemma: How to Build an Empowered and Adaptive Organization without Losing Control

By Jeremy Hope, Peter Bunce, Franz Roosli

John Wiley & Sons Inc. Hardback. Book Condition: new. BRAND NEW, The Leader's Dilemma: How to Build an Empowered and Adaptive Organization without Losing Control, Jeremy Hope, Peter Bunce, Franz Roosli, Many leaders realize that in today's economy it will no longer be the smart highly paid people in the corporate center that drive success. Instead it will come from harnessing the knowledge and creativity of all their people, especially those that work at the interface between the organization and its customers. They also know that their budget-driven management processes are too slow, rigid and expensive and encourage the wrong behaviour. But business leaders are on the horns of a dilemma. How do they empower their people and adapt to change without losing control? This book is about rethinking how we manage organizations in a post-industrial, post credit crunch world where innovative management models represent the only remaining source of sustainable competitive advantage. Above all The Leader's Dilemma is about learning how to change business - based on best practice and innovation drawn from leaders world-wide who have built and managed successful organizations. "Every executive will have already had to face the well-known dilemma between trust and control. Based on...
