## A Smile as Big as the Moon: A Special Education Teacher, His Class, and Their Inspiring Journey Through U.S. Space Camp

---

By Michael Kersjes

GRIFFIN, United States, 2012. Paperback. Book Condition: New. Reissue. 208 x 137 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Mike Kersjes always believed that his students could do anything even attend the prestigious Space Camp in Huntsville, Alabama, where some of America's best and brightest high school students compete in a variety of activities similar to those experienced by NASA astronauts training for space shuttle missions. The challenge was convincing everyone else that the kids in his special education class, with disabilities including Tourette's syndrome, Down's syndrome, dyslexia, eating disorders, and a variety of emotional problems, would benefit from the experience and succeed. In *A Smile as Big as the Moon*, Kersjes explains how, with remarkable persistence, he broke down one barrier after another, from his own principal's office to the inner sanctum of NASA, until Space Camp finally opened its doors. After nine months of rigorous preparation, Kersjes's class arrived at Space Camp, where they turned in a performance beyond everyone's expectations.

### Reviews

*This ebook is really gripping and fascinating. it had been writtern extremely perfectly and useful. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

-- **Leopold Hills**

*Totally among the finest publication I actually have at any time study. I am quite late in start reading this one, but better then never. I found out this publication from my dad and i suggested this pdf to discover.*
