Seal Press, United States, 2008. Paperback. Book Condition: New. New.. 188 x 140 mm. Language: English . Brand New Book. Rockabye is the lively memoir of a spontaneous young city-girl who becomes unexpectedly pregnant. That city-girl is Rebecca Woolf, who at 23, after the holy shit, I m pregnant realization, decides to keep the baby, marry the boyfriend (in Vegas no less), and figure out how to wed her rock n roll lifestyle and impending motherhood. With humor, honesty, and renegade insight, Rebecca makes the transition from life as an odd-job doing commitment-phobic, chain-smoking, irresponsible party-girl to life as a work-at-home mother with a different kind of social life. Throughout, Rebecca doesn t relinquish the token qualities of her free-spirited, pre-baby self; rebelling against both the soccer mom, and young mother stereotypes, challenging herself to grow up without outgrowing her dreams, and most importantly embracing motherhood without a map. Rockabye explores the coming together of mother and son and their mutual coming of age. How does Rebecca adapt to motherhood? By acting on instinct and maintaining a strong sense of self, breaking rules (sometimes her own) in the process and building her own adventures out of legos and alphabet blocks.
