

## Practical Pictorial Photography; Illustrated

---

By A Horsley Hinton

Rarebooksclub.com, United States, 2013. Paperback. Book Condition: New. 246 x 189 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. This historic book may have numerous typos and missing text. Purchasers can usually download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1900 edition. Excerpt: .exceed what might have been. But to know what might have been implies a considerable knowledge of nature, a knowledge only to be gained by a long course of study, and so I would say most emphatically that if the photographer has not studied nature and does not possess the requisite knowledge, he had far better be content to let the self-produced photographic image alone, lest his modifications and alterations result in a greater absence of truth to fact than the uncontrolled print possesses absence of effectiveness. Of course there are many instances in which but little modification is required, the scene as seen in nature being sufficiently satisfactory. So much the better; for let it be remembered that as photography is our chosen medium, then if photography unaided will give us the effect we want there is no especial virtue in altering it....

### Reviews

*The most effective pdf i possibly read. It is amongst the most amazing publication i actually have go through. You are going to like the way the author publish this pdf.*

-- **Chelsea Durgan PhD**

*I actually started off looking over this pdf. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

-- **Mr. Bertrand Anderson DDS**
