Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Harper s Introductory Geography: With Maps and Illustrations Prepared Expressly for This Work In submitting this work to the public, we beg leave to ask attention to a brief statement of its leading features, confident that they will be found to answer the requirements of the most intelligent and experienced educators: 1. It is designed to be an introductory text-book, as its name imports, to prepare young pupils who are beginning the study of geography for the use of a more comprehensive manual. With this aim in view, both the kind of matter selected and the style in which it is presented have been adapted to the age and capacity of those for whom the work is intended. Some topics - essential to a manual for maturer minds, but not suitable to be placed before beginners - have been omitted; and details that would be dry and pointless to such youth have been expressed in suggestive and enlivening generalizations. These adaptations have been effected in conformity to a consistent ideal, so that, while introductory to a larger manual, the work is symmetrical and complete in itself. 2. An elementary geography should be as attractive as it is useful; its subject-matter should be presented with the continuity of an engaging narrative, calculated to stimulate curiosity, as well as to inform the mind. This mode of treatment is consistent with the true philosophy of the subject. Accordingly, the descriptive portions of this work have been carefully written in a familiar narrative form, so far as the nature of the topics would allow, and are intended to be read by the pupils. 3. The descriptive part of each...
