

The Quirks and Quarks Question Book: 101 Answers to Listeners Questions

By CBC

McClelland Stewart Inc., Canada, 2002. Paperback. Book Condition: New. New.. 206 x 132 mm. Language: English . Brand New Book. - Is there really such a thing as a blue moon? - What time is it at the North Pole? - Why don t woodpeckers get concussed? - Why don t snorers wake themselves with the racket they make? - Do insects sleep? These are just a few of the intriguing questions asked and answered in The Quirks Quarks Question Book, the first question and answer book to come out of CBC Radio s enormously popular weekly science program. Quirks Quarks producers have combed through ten years worth of archives to find the most puzzling questions - or the most fascinating answers to apparently simple questions - from the program s Question of the Week segment or its once-a-season all-question show. The scientists and researchers with the answers (many of whom updated their answers for the book in light of new research findings) come from all scientific disciplines and all parts of the country. What they have in common is their ability to explain serious, complicated science in layman s terms. This isn t science made simple, but science made...
