Trafford Publishing, Canada, 2003. Paperback. Book Condition: New. Alice Schull (illustrator). 216 x 142 mm. Language: English . Brand New Book ***** Print on Demand *****.An alarming problem is raging out of control in our country and world. Statistics say that proportionately everyone knows at least one or more persons, if not themselves, who is stricken with an addiction or another form of mental illness. On one hand we appear to be making an attempt to deal with the problems. On the other hand, the weakness of the methods along with the lack of conviction, have left barely a scratch on the surface of what is fast becoming an epidemic. And producing in its wake is a multidimensional negative effect upon all of society. The inherited shame and denial that have accompanied these disorders for centuries, still prevent us from dealing with them forthrightly. However in the past, the number of victims did not present a significant threat to the safety and welfare of civilization. Nor then were the defining lines of right and wrong so clouded with controversy. Now we have neither situation to our benefit. Perhaps compromising values has tended to cause a blending effect, making it much more difficult to lead them out of their disconnected conditions. If we cannot provide the afflicted with a substantial lifeline of recovery, then the existing situation is like the blind leading the blind. We consider every illness of the body with the greatest of care, yet what good is a healthy body if it must live with a tormented soul? Somehow we fail to see the connection between the escalating violence that goes on in the world and the rising turmoil of mind and spirit disorders that exist largely unattended, not to mention the millions who suffer unmercifully in silence....
