## CAPTAIN PAUL WATSON: INTERVIEW WITH A PIRATE

[DOWNLOAD](#)

Firefly Books Ltd. Paperback. Book Condition: new. BRAND NEW, Captain Paul Watson: Interview with a Pirate, Paul Watson, Lamy Essemali, The behind-the-scenes true story of Paul Watson, the world's most famous eco-pirate and marine animal rights activist. Paul Watson became an animal rights activist at the young age of eleven, in 1962. When trappers killed a beaver that Paul had befriended, he systematically and efficiently located and destroyed their traps. This was the beginning of forty years of animal rights activism. Among the international awards and recognition he has earned in that time, Time Magazine named Watson one of the top twenty environmental heroes of the 20th century. In 1969, when just eighteen, Watson co-founded Greenpeace. He was also the first man to intervene between a whale and a harpoon. Watson left Greenpeace to establish the Sea Shepherd Conservation Society, which uses more aggressive direct action strategies to combat threats to the world's ocean creatures. With a goal of protection and conservation of marine mammals, their first priority is ending the illegal hunting of seals and whales. In Antarctica, Japanese whalers kill hundreds of whales each year. To circumvent the moratorium on commercial whaling, Tokyo disguises their fishery under the cover of scientific programmes. Yet the environmental movement got results: Japanese fishermen, who intended to kill 850 minke whales, returned with only 507 whales in 2010. The International Court of Justice was asked to require Japan to end this fishing programme, and the campaigns have included sinking ten illegal whaling ships, ramming more at sea, confiscating hundreds of long lines and drift nets and making more than 250 expeditions worldwide to save hundreds of thousands of marine animals. Captain Watson, though fighting for good cause, is labelled by some as a 'pirate' and an 'eco-terrorist', including those running Greenpeace today....
